

JoAnn Wood, MD, MSME, MHA, AAP, ACP

*Deaconess Health System
Vice President and Chief Medical Officer*

MEET JOANN WOOD:

Dr. Wood joined Deaconess in September 2020, having most recently served as chief medical officer for Baptist Memorial Hospital – DeSoto in Southaven, Mississippi.

Dr. Wood received her MD and completed her residency in internal medicine and pediatrics at the University of Louisville, and completed a fellowship in academic general internal medicine at the University of North Carolina at Chapel Hill. In addition, Dr. Wood holds a master's degree in medical education, a Master of Health Administration, and completed the Intermountain Advanced Training Program in Health Care Delivery and Improvement. She is also a TeamSTEPPS master trainer and Fellow of both the American Academy of Pediatrics and the American College of Physicians.

With more than 15 years' experience in academic and community-based health, Dr. Wood's extensive focus on quality improvement initiatives will help Deaconess continue to perform as a top-rated hospital in Indiana and beyond.

JoAnn and her husband Grady are natives of Owensboro, KY and pleased to have returned to their hometown area. They have two children, Mary Grace Phillips and Lexi Jae Phillips, and have the privilege of caring for JoAnn's brother, Alan Wood, who has Down syndrome. Dr. Wood and her family look forward to becoming involved in and serving their community.

ABOUT DEACONESS HEALTH SYSTEM:

Deaconess Health System is the premiere provider of health care services in southwestern Indiana, western Kentucky and southeastern Illinois. The system – based in Evansville, Indiana – includes nine hospitals: Deaconess Midtown Hospital, Deaconess Gateway Hospital, Deaconess Henderson Hospital, Deaconess Union County Hospital, Deaconess Gibson Hospital, The Women's Hospital, The Orthopedic and Neuroscience Hospital, Deaconess Cross Pointe, and Encompass Health Deaconess Rehabilitation Hospital.

Deaconess Clinic, a fully integrated multispecialty group featuring primary care physicians as well as top specialty doctors, provides patients with consistent and convenient care. Additional components include the Linda E. White Hospice House, a freestanding cancer center, urgent care facilities, near-site clinics, telemedicine, virtual visits, a network of preferred hospitals and doctors, and multiple partnerships with other regional health care providers.
