+ President's Society Members displayed at Midtown Campus

Every gift made to Deaconess Foundation is important and enriches the care Deaconess provides to our community.

The Deaconess Foundation President's Society comprises of individuals who have donated \$1,000 or more in a calendar year. Names listed contributed between July 1, 2023 - December 31, 2023. President Society Members are being recognized in 3 distinct levels.

- Platinum (\$10,000+ annually)
- Diamond (\$5,000 - \$9,999 annually)
- Gold (\$1,000 - \$4,999 annually)

**President's Society members will be recognized in the following ways:**

- Indoor signs at Midtown and Gateway Campuses
- Legacy Magazine
- Monthly e-newsletters
- Party of the Year Program
- President's Society Webpage

Learn more about the Deaconess Foundation President's Society visit [deaconess.com/Presidents](https://deaconess.com/Presidents).

# NEW DEACONESS FOUNDATION BOARD OF DIRECTORS UPDATE

Deaconess Foundation is pleased to announce four new members to our Board of Directors.

**Melissa Clements**  
Melissa Clements is the Executive Director of United Way of Henderson County. In this role since March 2015, Melissa has strived to empower the community to see the need to move the community forward through education, health, financial stability, and workforce development. Melissa provides the Deaconess Foundation Board representation for Western Kentucky.

**Brent Hill**  
Brent Hill has been the Chief Financial Officer at the United Way of Southwestern Indiana for six years. In his role, he managed all accounting functions, financial planning and reporting, technology and system infrastructure, data analytics, and associated strategies for UWSWI. Brent retired in December from United Way. Prior to the United Way, Brent held various executive and management positions with Windstream, KDL, and AT&T Bell Labs.

**Lindsey Nix**  
Lindsey Nix is currently serving as the Director of Public Relations and Training at Nix Companies. She is the Chair of the Family Business Alliance within Evansville Regional Economic Partnership, serves as the Marketing Chair, and is a member of the Executive Committee for Junior Achievement of Southwest Indiana. Additionally, she contributes to the Marketing Committee for Catholic Charities, plays a role on the National Marketing Committee for the Legatus Organization, and serves as the Marketing Chair for the Romain College of Business Board of Advisors. Lindsey provides the Deaconess Foundation Board representation for Posey and Gibson counties.

**Marlene Waller**  
Retirement is not stopping Marlene Waller from contributing to the Deaconess Community. We are proud to announce that Marlene had become a new Deaconess Foundation Board Member. She grew up in Harrisburg, IL and graduated from the Deaconess School of Nursing in 1981. Starting her nursing career in the Intensive Care Unit at Deaconess, she has spent the past 38 years in Emergency Services and Security. "I have been privileged to work with an amazing group of professionals that provide quality healthcare to our community," said Marlene. With her passion for Deaconess, Marlene will be a tremendous asset to the Deaconess Foundation Board of Directors.

# GIFTS MAKING A DIFFERENCE

## Teddy Bears

Picture a very sick two-year old child coming into a Deaconess facility for an emergency procedure or urgent care visit. Imagine this child being scared and confused. To comfort and relax the children, a teddy bear from a staff member is given. Large smiles on their little faces are common.

“We often dress the Deaconess Foundation bears with surgical hats or bandages as part of play therapy to help ease anxiety” said Brandi Hauser, a Registered Nurse at Deaconess Henderson Hospital.

These teddy bears are distributed throughout Deaconess campuses to various departments such as Riley Pediatric Urgent Care, Pediatric Trauma

Unit, Henderson Same Day Surgery Center, Inpatient/Outpatient Pediatric services and Deaconess Midtown, Gateway and Henderson Emergency Departments.

When Libby Owen, a Clerical Associate at Deaconess, was asked about this Deaconess Foundation program she said, “The teddy bears are a wonderful resource for our nursing staff to use as a diversion technique during IV insertions, labs and most other procedures. Almost all of our pediatric patients love to name their own Deaconess Bear and carry them around the unit with them!”

This worthwhile project is made possible through your contributions to the Deaconess Foundation. To make a gift please visit [deaconess.com/give](https://deaconess.com/give). Our pediatric patients send you a “thank you.”

+ Hazel Nix with Deaconess Foundation Teddy Bear.

# DONOR SPOTLIGHT

## Scott and Carrie Hartig

Scott and Carrie Hartig have been lifetime supporters of Deaconess and the Deaconess Foundation. Scott, President of MelKay, has been a member of the Deaconess Foundation Board of Directors since 2019 and became the Chair of the Board in November. He has witnessed firsthand how every gift positively impacts employees, patients, and the community. “We hope to help Deaconess remain the wonderful blessing that it is for the people of the Tri-State area” said Scott.

Scott’s mother, Linda, is a breast cancer survivor and a former member of our Foundation Board. Carrie and Scott have a special passion for cancer care within Deaconess Oncology. Contributions from the Hartig family and MelKay to support the mission of Deaconess Foundation have been immeasurable, including their support of the Deaconess Golf Classic

for Women and the annual Party of the Year.

“It’s gratifying to know that our gifts are always used for such important purposes supporting the mission of the health system within our communities” said Scott. The gratification received

by donating to Deaconess Foundation is “to see our gifts making a difference” Scott also stated.

As a dedicated and long-serving member of our community, Scott brings a wealth of leadership experience and passion. Scott is continuing his family’s tradition of serving Deaconess.

His grandfather, Melvin Kallenbach was a former member of the Deaconess Foundation Board of Directors. Melvin and Scott’s grandmother, Masel, founded Mel-Kay Electric Company in 1951. What a legacy!

+ Scott and Carrie Hartig

# GIFTS AT WORK

## Hospice Reflections

The Hospice Reflections Sculpture serves with distinction the dual purpose in remembering a loved one and providing a peaceful setting to visit. An open house, dedication, and ribbon cutting for Hospice Reflections occurred on November 13, 2023 at the Linda E. White Hospice House on the Deaconess Midtown Campus. The sculpture, created by regional artist Dale Enochs, honors loved ones and provides a meditative and comforting place for patients and their families at the Hospice House.

Woven into the metal arcs of the sculpture are inspiring words, animals, and symbolic images allowing the

viewers to reflect, discover and meditate. Hospice Reflections is just one of the many attributes that add to the compassionate care provided to our hospice patients, their families, and loved ones. If you would like to honor a loved one with a name and message on a plaque, visit [deaconess.com/HospiceReflections](http://deaconess.com/HospiceReflections).

Thank you to German American Bank, HAFER, and MelKay for generous donations that made Hospice Reflections possible.

Scan the QR code with your mobile phone to honor a loved one with a name and message on a plaque.

+ Lance Wilkerson, Linda E. White, Danielle Naas, and Leigh Ann Gamble at the ribbon cutting.

## Deaconess Foundation Grants

Since March 2024, Deaconess Foundation was awarded \$119,784 from local, national, and federal grants. Funds provided by these grants support a number of the initiatives we have throughout Deaconess Health System.

The Deaconess Mobile Mammography Outreach Program received \$25,000 from the National Breast Cancer Foundation, \$24,201 from the Indiana Breast Cancer Awareness Trust, Inc., and \$10,000 from the Robinson

Foundation. Other Mammography Outreach Grants came from Perry County Community Fund for \$3,000 and Posey County Community Fund for \$2,000. The funds provide continuum of care from mammography screening to diagnosis to treatment for women in need.

Deaconess HeartSaver was awarded \$10,150 from the Gibson County Community Fund. Grant funds will be used to place 6 AEDs with organizations within Gibson County, Indiana. Through the support of

community individuals, businesses, and grants, HeartSaver has placed more than 750 AEDs in the Tri-State.

Indiana Department of Homeland Security awarded Deaconess Emergency Medical Services (EMS) \$8,176 in education funding. This grant provided books and uniforms for two Emergency Medical Technician (EMT) classes in 2024. A federal study projected a need for 40,000 more full-time emergency medical personnel from 2016 to 2030. These funds will contribute to adding 30 EMS staff to our Deaconess community.

Other notable grants received this year:

- Aldi's: \$500 for Safe Babies
- The BraveHeart Foundation: \$4,930 for Safe Babies

Deaconess Foundation graciously thanks all the organizations who provided us with grant funding supporting our programs and services.

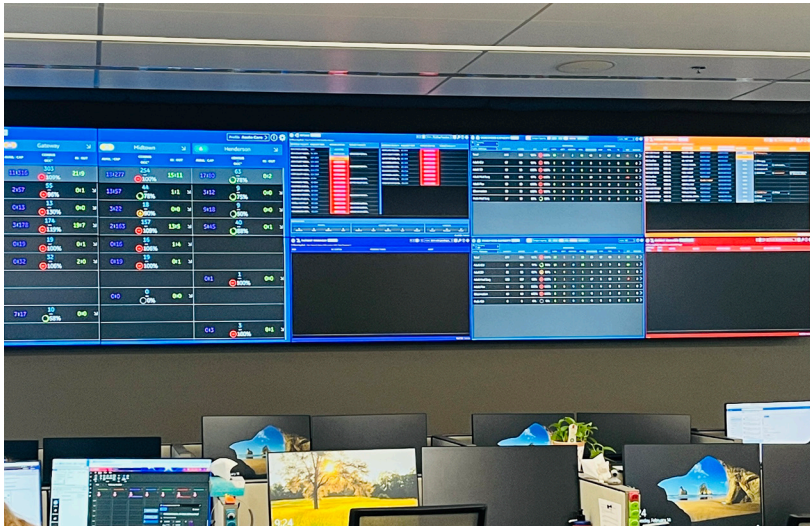

DCARE

One of Deaconess’ goals is to keep healthcare local and provide patients with the most effective and efficient healthcare. With that goal, DCARE (Deaconess Coordinating and Advancing Resources for Excellence) was launched throughout the Deaconess Health System in 2023. This centralized hospital “command center” is recognizing and removing barriers to patient care.

“Our hospitals have been very busy, and we continue to focus on making sure our patients receive the best care possible all while managing high demand” said Dr. Phillip Adams, Access Center Medical Director. Deaconess staff have witnessed firsthand the positive impact of DCARE. In the simplest terms, DCARE utilizes real time data from every facet of the Health System to streamline every patient’s hospitalization.

A video wall is the integral part of the “command center” and assists the monitoring of all of the facilities within the DCARE network. Being able to coordinate patient care, track

transfers, and reduce access time for tests, procedures, and the discharging of patients is vital to improve excellent patient care and outcomes. Deaconess Foundation is appreciative of the support from the Foundation Board of Directors towards the purchase of the DCARE video wall.

+ Top: Jared Florence, Amy Kruger, Dr. Phillip Adams, Lance Wilkerson, Kendal Voelker, Carri VanWinkle, and Craig Self at DCARE ribbon cutting; Bottom: A look at the large screens used in the command center.

SAFE BABIES

Our Safe Babies Program has provided services to expectant parents for over a year. Results have impacted the communities served by Deaconess Henderson Hospital. “Through the Safe Babies Program we are not only donating Pack ‘n Plays, which is a portable baby-safe space that can be used as a travel crib, changing station, or bassinet, and infant car seats, but also supporting our patients and their families through outpatient classes and inpatient education at birth.” We are extremely grateful for the gifts, tearfully knowing that without our help they would not have the means to provide safe essentials for their babies. As staff members, we realize that our Safe Babies Program is saving lives” said Laura Hish, Deaconess Maternal Child Nurse Clinician.

+ Marsha’s Place Staff and Linda E. White with Deaconess Foundation Staff

The Safe Babies Program was launched in January 2023 and has made a difference by providing 51 car seats and 30 Pack ‘n Plays to date. Deaconess Henderson Women’s Hospital staff have received wonderful feedback from all mothers and their families regarding the classes with the Safe Babies Program. Every week participants are provided with much needed items and education to aid in the safety of their infants. Partnering with Marsha’s Place, a pregnancy resource center in Henderson, the Safe Babies Program has seen positive outcomes and will continue spreading awareness within the community.

To support the Safe Babies Program please visit [deaconess.com/SafeBabies](https://deaconess.com/SafeBabies).

Scan the QR code with your mobile phone to make a gift to the Safe Babies Program.

HEARTSAVER WONKA GOLDEN TICKET EVENT

Wonderful job once again by our HeartSaver Committee. \$106,837 was raised at the HeartSaver Wonka Golden Ticket Event towards the purchase, education, and placement of AEDs throughout the Tri-State.

Scan the QR code with your mobile phone to support the HeartSaver Program.
