

## DEACONESS HEALTH SYSTEM

### RADIOLOGY DEPARTMENT RULES AND REGULATIONS

I. Scope: These articles shall be known and observed as the rules and regulations of the following radiology departments:

X	Deaconess Henderson Radiology
X	Deaconess Gibson County Radiology
X	Deaconess Union County Radiology

### II. PURPOSE

- A. These articles shall be known and observed as the Rules and Regulations of the Radiology Department.
- B. These Rules and Regulations shall govern all actions and activities of the Radiology Department. Their intent is to supplement the Bylaws of the Medical Staff of Deaconess Hospital and in no way shall be construed to violate any article or section in said Bylaws.
- C. These Rules and Regulations shall supersede all previous Rules and Regulations of the Radiology Department.

### III. MEMBERSHIP REQUIREMENT

#### A. Active Membership Requirements

- 1. Shall be an Active member of the Deaconess Hospital Medical Staff.
- 2. Shall be, by reason of training and experience, eligible for examination by the American Board of Radiology for certification in Radiology, Roentgenology, Radiation Therapy, or Nuclear Medicine.
- 3. Shall have practiced at Deaconess Hospital for at least one (1) year with active participation in the affairs of the hospital and Radiology Department.
- 4. All Active members of the Radiology Department who enjoy full Radiology privileges at the time of adoption of these Rules and Regulations will, at their own request, be included as members.
- 5. Shall abide by the Rules and Regulations of the Department.

## RADIOLOGY DEPARTMENT RULES & REGULATIONS

Page 2

### B. Courtesy Membership Requirements

1. Shall meet the requirements specified in the Bylaws for Courtesy Staff membership.
2. Shall meet the requirements for Active membership in the department but shall not be eligible to vote, hold office, or serve on committees.
3. Shall abide by the Rules and Regulations of the department, but will not be on the emergency call roster or be a consultant on unassigned cases.

### D. Senior Membership Requirements

1. Shall meet the requirements for Senior Staff as specified in the Bylaws.
2. Shall meet the requirements for Active membership in the department but shall not be eligible to hold office.
3. Shall abide by the Rules and Regulations of the department but will not be on emergency call or be a consultant on unassigned cases.

## IV. STANDARDS OF PRACTICE

- A. Members of the department eligible for Board certification, or certified, in only part of the specialty of Radiology shall limit their practice to the part for which they are eligible or certified, as the case may be. All members of the department shall be Board Certified within three (3) years of appointment to the Radiology Department.
- B. In order to maintain the standards of Radiology practice, a minimum of twenty (20) hours per year of postgraduate education in Radiology or one of its subspecialties shall be required for all Active members of the department. Additional time in training courses and professional meetings is recommended. Fulfillment of this requirement shall be certified to the Chief in writing.

## V. RULES, RESPONSIBILITIES AND PRIVILEGES

## RADIOLOGY DEPARTMENT RULES & REGULATIONS

Page 3

### A. Diagnostic X-Ray, Nuclear Medicine, Ultra-Sound, CT, MRI, Special Procedures

- \*1. All procedures for these services shall be ordered by a physician or other appropriately licensed health care provider.
2. Orders shall include clinical information from the referring physician relevant to the indications or appropriateness for the requested procedure.
3. Routine patient preparation for various radiologic, nuclear, MRI, or ultrasound procedures shall be followed as outlined by the Chief of the Department and published or otherwise made known to the Medical Staff. These may be altered from time to time as the need arises by the Chief of the Department. The referring physician may alter the preparation if necessary for medical reasons, in which case the reason should be stated on the order.
4. Physician orders requesting an individual consultant member of the department shall be performed by that individual except that if the individual is not available within a reasonable length of time, the case shall be reassigned by the Chief of the Department or his/her designee.
5. Unassigned Radiology orders are the responsibility of the members of the Department of Radiology who devote the majority of their time to professional practice at Deaconess.
6. Special procedures or procedures that interrupt normal daily routine should be scheduled at least 24 hours in advance. Emergency or urgent procedures take precedence at all times.
7. Members of the department shall render official written and signed reports of all diagnostic procedures of the department as early as practical following completion of the procedure, with preliminary results expected no more than 24 hours following the procedure.
- 8.. Equipment usage will be under the direction of the Chief of Radiology by qualified physicians and technologists, within the guidelines of the Indiana State Department of Health, the Kentucky Department of Health and Human Services/Radiation Health Branch and the Nuclear Regulatory Commission.

## RADIOLOGY DEPARTMENT RULES & REGULATIONS

Page 4

The use of radioactive materials specifically shall be by or under the supervision of a member of the department licensed by the Nuclear Regulatory Commission as a qualified user of said materials for which the department is licensed and subject to the conditions therein specified.

9. Any conditions or circumstances not covered by these Rules and Regulations shall be decided upon by the Chief or his/her designee, subject to approval of a majority of the voting members present at the next regular department meeting.

### VI. CHIEF OF DEPARTMENT OF RADIOLOGY

- A. The Chief of the department shall be elected every two (2) years in accordance with the Bylaws. In the event the office is vacant for any reason, an election may be held at a special meeting held for that purpose. A vacancy filled at a special election shall be for the unexpired term of his predecessor in office.

Election of Chief will be conducted at the last meeting of the fiscal year by a majority vote of Active and Senior members present. In case of a tie or no majority vote, another vote shall be taken by secret ballot.

- B. The Chief must be an Active member of the Department of Radiology. The Chief of the Department of Radiology must be board-certified in radiology at the time of nomination for election as Chief.

- C. Duties of the Chief:

1. Shall be chairman at department meetings and hold responsibility for the minutes of Radiology Department meetings.
2. Shall assign the call roster to provide 24/7 coverage of interpretation services.
3. Shall be available, for consultation regarding patient care, problems of ethics and such other medical problems as may involve the department.

4. The Chief shall serve on committees to which he is automatically appointed by the Bylaws and attend meeting of the Medical Staff Executive Council, Nominating, and Bylaws Committee.
5. The Chief shall be responsible for interpretation of Rules and Regulations of the department and the enforcement of same.
6. Shall work with the department managers in promoting harmony and accord between professional and administrative functions.
7. Shall appoint subcommittees as needed.
8. Shall appoint a designate from the Active membership in his absence.
9. Shall work with department managers to formulate, approve, and enforce imaging policies, procedures, protocols, and job descriptions in the Radiology Department.
10. The Chief will assist the department managers in staffing assignments correlated to skills, developing criteria and competencies for persons qualified to operate equipment and administer procedures, providing emergency care as necessary, enforcing universal precautions to promote infection control, fostering safe radiation practices, and maintaining the security of the patients' imaging records.

VII MEDICAL DIRECTOR OF NUCLEAR MEDICINE

- A. The Nuclear Medicine Director must be an Active member of the Department of Radiology. The medical director must be board certified in Radiology.

Duties of the Medical Director of Nuclear Medicine:

1. Attend standing meetings as requested or scheduled.
2. Monitor quality and appropriateness of medical care.
3. Provide guidance and leadership for performance guidelines.
4. Develop policies and procedures.
5. Oversee clinical peer review
6. Manage physician relations.

## RADIOLOGY DEPARTMENT RULES & REGULATIONS

Page 6

7. Handle clinical patient complaints
8. Support physician education
9. Handle physician behavior and impairment issues

### VIII. MEETINGS

- A. Meetings of the Department of Radiology shall be held quarterly.
- B. Written notice of the time and place of the meeting shall be sent to all members in advance.
- C. Special meetings may be called by the Chief provided written notice is given each member in advance.
- D. Subcommittee meetings shall be at the discretion of the committee chairman.
- E. Twenty-five percent (25%) of the voting members shall constitute a quorum. If a quorum is not present at any meeting, a majority of the voting members present may adjourn the meeting.

### IX. RATIFICATION AND AMENDMENTS

- A. Amendments shall be required to be approved by a majority of the voting members present.
- B. These Rules and Regulations shall be reviewed and ratified at the beginning of each Medical Staff fiscal year.
- C. Amendments shall be forwarded to the Executive Council for review and approval and shall become effective only upon approval by the Board of Directors.
