Sarah Volkman, DO

Class of 2021

WHAT ARE YOUR CAREER GOALS?

I would like to work in an outpatient clinic in Evansville with an emphasis on geriatrics. My goal is to treat all patients to the best of my ability with compassion, kindness and respect.

WHY CHOOSE DEACONESS?

I chose Deaconess after spending a rotation as a medical student with the program. It was inspiring to witness the faculty's support and interest in the education of each resident. The staff and faculty have created a comfortable environment to grow and learn.

WHAT IS THE BEST PART OF LIVING IN EVANSVILLE?

Evansville is my hometown and a great place to raise a family. It is a beautiful area, especially in the Fall. Evansville is continuing to grow as a city by adding new attractions downtown. It offers big city opportunities with a small-town feel.
