

# **Meet Our Family Medicine Residents**

# Davis Szymanski, MD Class of 2028

## **ABOUT ME**

Hello! My name is Davis Szymanski. I'm a transplant Texan and looking to return to the Midwest. I received my Bachelor of Science Degree in Biology from the University of North Texas, Go Mean Green, and attended Trinity Medical Sciences University School of Medicine for my medical education.

#### WHY CHOOSE DEACONESS?

Deaconess was my final interview of the cycle, and the best was saved for last. The program stood out for being unopposed, family friendly, and generally full of kind residents, staff and faculty.

### **HOBBIES/INTERESTS**

Some of my interests and hobbies are cliché, I like cooking, movies, and video games; however, what I really enjoy most is spending time with my children. As a family we love to travel, hike and camp.

My family and I are excited to serve Evansville, Indiana, and experience everything the city has to offer.
