Mitch McCord, DO

Class of 2022

WHAT ARE YOUR CAREER GOALS?

I want to practice high quality, patient-centered medicine in an outpatient practice. I also want to help teach future physicians and be involved in the community.

WHY CHOOSE DEACONESS?

After rotating at Deaconess during my fourth year of medical school, I knew that Deaconess would be my number one choice. The residents, faculty, and staff were all so knowledgeable and helpful. Deaconess has excellent physicians and outstanding facilities. I felt Deaconess would provide me with everything I need to become a skilled family medicine physician.

WHAT IS THE BEST PART OF LIVING IN EVANSVILLE?

Evansville is big enough to have everything you need, but with the sense of community like a small town. I was born and raised in Evansville and it is a great place to live. Evansville is growing, and it seems there is more to do here every year.
