Meet Our Family Medicine Residents

Josiah Ethan Zachary, MD

Class of 2023

WHAT ARE YOUR CAREER GOALS?

Ultimately, to elevate the quality of health care in my rural community by practicing strong, evidence-based medicine.

WHY CHOOSE DEACONESS?

I have a strong sense of “Home” in the tri-state with my family, friends, and all the roads and hills I grew up around. When I came to Deaconess, I felt like I was “coming home.” Combine that feeling with having a well-established residency, and I knew Deaconess was the right choice for me.

WHAT IS THE BEST PART OF LIVING IN EVANSVILLE?

Being from across the river to the south, Evansville has always been the “big city” to me. There are always things to do and enjoy around Evansville. From taking my daughter to Mesker, to watching my cousin perform at a music venue, to doing some shopping at the mall—the list goes on.
