

## Deaconess Pharmacy Student Post-Graduate Employment Scholarship

Deaconess Hospital is proud to offer three \$10,000 scholarships for students in their final year of pharmacy school during 2024-2025. Receipt of this scholarship will require employment at Deaconess Hospital for the equivalent of 3 years of full-time work. Since both the student and Deaconess will benefit from completion of a residency, the employment requirement can be deferred while completing a PGY-1 or PGY-2 Pharmacy residency. Complete details found in the Pharmacist Scholarship Agreement.
