

Our Daily Goal Is
**NURSING
EXCELLENCE**

dh Deaconess

PROFESSIONAL PRACTICE MODEL OF NURSING

“Nurses practicing to the full extent of their education and training”

IOM 2011

DEACONESS NURSES

- ▶ Provide patient-centered care using evidence-based practice
- ▶ Facilitate clinical decisions through patient/family and interprofessional partnerships
- ▶ Achieve optimal outcomes in a caring and healing environment
- ▶ Integrate their values and philosophy with the organization
