Compassionate Patient Advocates

The WellFund exists to help you navigate the confusing world of State and Federally funded healthcare coverage options, including initial enrollment and ongoing maintenance of coverage.

Programs are available based upon certain income requirements. Patient Advocates will screen and educate you on your options. These services are available **FREE** of charge to you and your family.

Our Patient Advocates will also help you navigate community sources that are available to assist you with social matters. As your life changes, so will the programs that you may qualify for. We are here to help you now and in the future as your partner in care.

The WellFund's Process

As a requirement of eligibility for these programs you will be asked to provide various forms of documentation such as:

- **Pay Stubs** (30 days worth)
- **Photo ID**
- **Social Security Card**
- **Birth Certificate**
- **Proof of Residency** (if applicable)

The WellFund Patient Advocates assist in the enrollment process by helping you gather all the appropriate documentation and walking you through the application process.

The WellFund will then submit the required documents and application, communicating directly with the state from start to finish, keeping you updated along the way.

You can submit the above required documentation physically to your Patient Advocate or submit the information by e-mail.

Important Enrollment Dates

Marketplace (ACA) Open Enrollment

Health Insurance for the uninsured or under-insured that do not meet the requirements for Medicaid. You can choose a plan between November 1st and December 15th for coverage effective dates of January 1st of the following year.

Medicare Annual Election Period (AEP)

You can make changes to your Medicare Health Plan or Prescription Drug coverage between October 15th and December 7th of each year. Plan changes become effective for January 1st of the following year.

Depending on your situation, you may qualify for Special Election Periods outside of the listed enrollment periods. Patient Advocates can explain your enrollment options during the year.
