

Welcome to Deaconess Weight Loss Solutions!

During each of your visits you will be seen by our Bariatrician or the Nurse Practitioner, exercise specialist and one of our dietitians. Please review the **Important Patient Notification**:

- Weight Loss Solutions is an outpatient department of Deaconess Hospital; therefore your insurance company will be billed:
 - A facility and nutrition charges for services you are provided within the department **and**
 - A professional fee for services provided by our Bariatrician

Prior to your surgery, you will see one of our surgeons here in our office. You will be seen, again, by our Health Care Team (including our exercise specialist and one of our dietitians.) Please review the **Important Patient Notification**:

- Your insurance company will be billed:
 - A facility and nutrition charges for services you are provided within the department **and**
 - A Professional fee for Evansville Surgical Associates for the services provided here in our office by our surgeons (Dr. Burry and/or Dr. Mansour.)

Thank you for allowing us to take care of you. We will make every attempt to honor appointment times. **Unavoidable delays may occur at times.** We welcome your feedback in helping us provide quality of care to you while you are visiting Weight Loss Solutions. Please complete the electronic Patient Satisfaction survey that will be sent to you via email. If you have any questions or concerns about this information, please call our office and we will be glad to assist you.

Sincerely,

Deaconess Weight Loss Solutions staff
