
OUR APPOINTMENT POLICY

When you make an appointment, we reserve that time just for you. Please clear your schedule now and plan ahead to arrive 15 minutes early for this appointment.

We understand that circumstances sometimes prevent a patient from being able to keep an appointment. In these cases, we ask that you provide us with at least 24 hour notice. That will help allow us to offer your canceled appointment time to another patient who needs care.

Please call prior to arrival if you'll be late for your scheduled appointment time. If you're running more than 5 minutes late, we'll have to reschedule your appointment.

Thank you!
