## CHRISTIE THOMAS

### DAISY Award Winner! February 2026

Christie Thomas, RN, Women and Infant Services, is Deaconess Memorial Medical Center's next DAISY Award winner! Christie was nominated by a patient for which she cared. In the nomination, the patient shared, "She was more than a nurse, but also my sense of power, strength, determination and endurance through the labor and delivery process. She got into the trench of the hardest thing I've ever went through physically, to bear it along with me." Thank you, Christie, for going above and beyond and caring for others. We are blessed to have Christie as part of our caregiver family.
