Meet Our Family Medicine Residents

Nathan Egler, DO **Class of 2029**

ABOUT ME

My name is Nathan and I was born and raised on the west side of Evansville. I received a Bachelor of Science degree in chemistry from USI and attended Kentucky College of Osteopathic Medicine for medical school.

WHY CHOOSE DEACONESS?

I chose Deaconess for residency because the program is unopposed, the wide variety of procedures taught at the program, the diverse patient population, and the breadth of knowledge its faculty add to the education of residents. Furthermore, it is a privilege to be able to train in the city where I grew up.

HOBBIES/INTERESTS

Some of my hobbies outside of medicine include playing board games, hiking, tennis, and playing with my cat Spicy.
